## ATTRACTIONS

### **Guinness Tour & Storehouse**

**Cliffs of Moher:** Beautiful area! You can travel with a bus company that stops at multiple spots along the way (Paddywagon Bus Tours or Wild Rover Tours). The cliffs are about 3 hours away from Dublin so this is a full day activity, but totally worthwhile! Some trips offer stops in Galway as well.

**Walking Tour:** Many companies offer these and it is a great way to see the city.

**Hop On/Hop Off Bus Tour:** Easy way to see Dublin and learn the history of the city.

**Malahide Castle**

**St. Peter's Cathedral**

**Temple Bar**

## FOOD

**Porterhouse:** Pub food with good veggie options.

**Pieman:** Homemade pies that are amazing in the Temple Bar area.

**Sweet Republic:** Similar to Black Tap in New York. Great milkshakes and desserts.

**JW Sweetman**

**Queen Of Tarts:** Really good pastries.

**Elephant and Castle:** Great brunch, make a reservation.

## NIGHTLIFE

**Temple Bar:** This is the tourist bar area. Lots of pubs playing live music; overall cool atmosphere! Make sure to bring your ID because many places will check.

**Fitzsimons:** Has a cool rooftop.

**Gogarty's:** It is a traditional Irish pub with music and dancing. A bit of an older crowd but a fun time!

**Whelan's**

**Arlington Hotel Bar**

## JEWISH ACTIVITIES

**Irish Jewish Museum**

**Dublin Progressive Museum**
